“Mentored Career Development Awards: K awards and KL2 programs”

Presented by

Christy Chang, PhD

Associate Professor, Department of Medicine, University of Maryland School of Medicine
Director, KL2 Program, Institute for Clinical & Translational Research
University of Maryland, Baltimore

Marey Shriver, PhD

Director, Office of Research Career Development
Assistant Professor, Department of Biochemistry & Molecular Biology
University of Maryland School of Medicine

This Enrichment seminar will introduce the purpose of mentored career development programs overall and discuss different types of K and KL2, including ICTR/CTSA KL2 programs. The objective is to inform junior faculty who are considering this funding mechanism in their own careers and senior faculty who are mentors to potential candidates.
